G.O.RT.No. 2

Dated: 02-01-2015.

Read the following:

- 1 Secretary, Ministry of Communications & IT, Deity, Govt., of India
D.O. No. 3(34)/2014-EG-II, Dt:03-09-2014.
- 2 G.O.Rt.No.4527, GA (Spl-A) Dept., Dt:09.09.2010.

ORDER:

In the reference 1st read above, the Secretary, Ministry of Communications & Information Technology, Department of Electronics & Information Technology (Deity), Govt., of India has informed that, the Expert Committee constituted under the Chairmanship of Sri. Nandan Nilekani, Chairperson, UIDAI, in pursuance of the decisions taken at the 1st Meeting of the Prime Minister's Committee on NeGP, has made a number of recommendations to address the critical HR gaps for the introduction of e-Governance at all levels of administration and for delivery of services to the citizens. As per one of its recommendations, the committee has suggested mandating ICT skills for the Government employees. The committee has observed that "*unless all employees are part of the transformation process and lend their willing support, e-Governance projects will not be able to succeed.*" It had accordingly recommended the following.

- a. Basic ICT skills should be a mandatory requirement at the entry level for all positions.**
- b. Basic ICT competence should be mandated for promotion in all cadars of Government employees.**

The Secretary, Deity, Govt. of India has further, informed that, a policy of mandating ICT skills both at entry level and for in-service officials and a certification process linking it to increments, promotions etc., could be introduced by all the State/UT Governments. This would go a long way in overcoming the difficulty in the execution of e-Governance projects. The State/UT Governments may consider operationalising the following initiatives.

- A. Mandating basic ICT at entry level
- B. Mandating basic ICT skills and knowledge of e-Governance for in-service officials.

The scheme for adoption by the State/UT Governments for introduction of mandatory basic ICT Skills for Government Officials with suitable modifications communicated by Secretary, Ministry of Communications&IT, DeitY, Govt. of India is enclosed as Annexure to this order.

For implementation of the above Policy/Task effectively and prepare policy frame work (Report) Government is hereby constituted the following expert committee requesting them to submit detailed report to the Government on implementation of recommendations of introduction of e-Governance at all levels of administration.

1	Secretary to Govt., GAD(Services) Department.	Chairman
2	Secretary to Govt., Finance Department	Member
3	Director General, MCRHRD	Member
4	Director General, Center for Good Governance	Member
5	MD, APTS (Telangana Sate Unit) & Director, e-Governance	Member & Convener

The Committee shall meet as many times as required and submit report to the Government (IT,E&C dept.) for taking further course of action.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF TELANGANA)
